Submission Format

Option 1 - Submit A Full Paper

Full papers are reviewed and only accepted ones are included in the conference proceedings for submission to the IEEE for publishing on Xplore. Choose this option if publishing your research is important.

Option 2 - Submit Abstract Only

We understand that for many researchers, submitting a full paper can be a daunting task. This resource is designed for authors whose big reasons exclude publishing.

Review

All submissions will be peer reviewed by up to five reviewers and authors notified of the review outcome starting 17 August 2023.
