

Submissions Now Open

Welcome to IEEM 2024! We extend a warm invitation to participants to join us at the IEEM 2024 Conference, continuing the tradition of excellence. This event promises an exceptional opportunity for face-to-face interaction, idea exchange, and the cultivation of personal networks.

We enthusiastically encourage participants to contribute to the conference by submitting high-quality papers or abstracts. Please choose from the list of topics below that best align with your research interests. Your submissions should be substantial, original, and previously unpublished, ensuring a meaningful contribution to the conference.

1. Choose One Submission

Full Paper (Deadline: 1 Jun) Abstract-Only (Deadline: 1 Aug)

Subject to rigorous review process and will be included in the conference proceedings for publishing to IEEE Xplore. This choice is ideal if publishing your research is crucial.

Organize Special Sessions

Special sessions serve as dedicated platforms that focus on specialized topics, new areas of interest, or innovative themes, enriching the diversity of discussions at IEEM meetings. To ensure a robust and engaging session, we encourage organizers to plan for a minimum of six presentations.

We invite you to shape and elevate the conference by leading a Special Session dedicated to your area of expertise. Click [here](#) for more information.
